PERMISSION TO OPERATE LIEN FOR VALUE OF REPAIRS:

The undersigned ("Customer") authorizes the repair/maintenance work indicated above and on the front page hereof to be done, along with the necessary materials, and hereby grants you, and/or your employees, permission to operate the boat, engine or trailer herein described on water, or elsewhere, for the purpose of testing and/or inspection. In the event Customer has not requested an estimate, Customer hereby waives the right to a written estimate.

An express mechanics lien is hereby granted and acknowledged on the above boat, engine or trailer, to secure the amount of repairs thereto. Repairer is not responsible for loss or damage to articles left with boat, engine or trailer in case of fire, theft, or any other cause.

NOTE: Schooner Island Marina is not responsible for fire, theft or damage to your boat while on our property, including canvas tops or enclosures that were not taken down by Customer. Customer is required to insure his/her boat against all damage and casualty.

In the event the Customer does not make payments in full for services requested in accordance with the terms enumerated herein; Customer agrees that he/she shall be liable for any unpaid balance, together with a finance charge of 2% per month, that will be added to accounts which remain unpaid for more than thirty (30) days after the closing date of the statement. This is computed at an annual percentage of 24%. In the event that this obligation is referred to an attorney for collection, Customer agrees to pay reasonable attorneys' fees, in addition to the amount due and payable, including the aforementioned interest. Customer has read and agrees with all of the terms stated and has received services and merchandise reflected on both sides of this work order.

Schooner Island Marina Service Department now requires a credit card number with expiration date prior to any work being performed. Payment is due in full at the time of service. If for any reason your invoice is not paid within thirty (30) days after the closing date of the statement or by winter shut down December 14th, 2007, we will charge the invoice to your credit card, including interest on any amounts past due, as provided above.
